Equipment

Bags

There is a limited amount of space around each child's peg in the cloakrooms.

Therefore, if bags are too big they often fall to the floor and there's a risk of the contents being damaged. They also cause a significant trip hazard in a small cloakroom space.

To avoid this, we ask that no large rucksacks / backpacks are brought into school.

PE kits should be stored in a draw string bag which can hang easily on a peg and can be kept in school.

For example:

Lunch bags / boxes, if your child brings their own sandwiches, will be stored in a large basket or trolley per class.

For example:

Reading books and homework items should be brought to school in a bookbag, satchel or messenger bag – *all of which are able to be hung on a peg and be flat to the wall, without being easily knocked off.*

For example:

Pencil Cases

Pencil cases and items of own stationery are not needed as school provides the necessary equipment.

Therefore, no pencil cases / stationery from home in any classes in order to maximise the working space on tables.
