Storing pupil information

St. Gabriel's R.C. Primary School keep information about you on computer systems and also sometimes on paper.

We hold your education records securely (computerised and paper) in accordance with guidance issued by the Local Authority regarding document retention, complying with legal requirements e.g. date of birth plus 25 years for prime documents linked to safeguarding, SEN, Educational Psychology, School Admissions, EWS and 7 years for PLASC counts, class counts, SEN registers, School Action Plans, GEMS intervention referrals, admissions reports, school meals reports - after which they are safely destroyed.

Access to the school's IT and Data Systems is restricted to authorised individuals only and is underpinned and protected by our Digital Safety and Acceptable Usage Policies. Access is logged and routinely monitored to protect users and the integrity and security of systems and data.

Where data resides on third party systems e.g. Google Apps, contracts exist to ensure data security, integrity and retention periods match legislation with St. Gabriel's R.C. Primary School's in house systems.

All system backups are encrypted and are stored centrally with the Local Authority.

There are strict controls on who can see your information. We will not share your data if you have advised us that you do not want it shared unless it is the only way we can make sure you stay safe and healthy, are legally required to do so or the data is required for operational purposes.

Paper records are held in a lockable cupboard. All visitors to site are required to sign in and out of the visitor's book and collect a security fob from the school secretary. Control to areas where records are stored is restricted – pupils and visitors are not permitted to access any such area unless required and under the supervision of a staff member.
